	APPROVAL OF STATE ENGINEER
	This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the
follo	wing limitations and conditions:
am wai aci for wit va oth Th	This permit is issued subject to existing rights. It is understood that the punt of water herein granted is only a temporary allowance and that the final ter right obtained under this permit will be dependent upon the amount of water tually placed to beneficial use. It is also understood that this right must allow a reasonable lowering of the static water level. This well shall be equipped to a two (2) inch opening for measuring depth to water. If the well is flowing, a two must be installed and maintained to prevent waste. A substantial weir or mer type of measuring device must be installed and measurements of water use kept. Is source is located within an area designated by the State Engineer, pursuant to 534.030. The State retains the right to regulate the use of the water herein anted at any and all times.
mak	This Permit does not extend the permittee the right of ingress and egress on plic, private or corporate lands.
-Frm	No perforations shall be put in the production casing from ground level to 100
	The total combined duty of water under Permits 43870 and 43871 shall not exceed
4,6 hol	20 acre-feet annually. The issuance of this permit does not waive the requirements that the permit der obtain other permits from State, Federal and local agencies.
The	amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and
not dut not	cubic feet per second, but not to exceed a yearly cy of 3.0 acre-feet per acre of land irrigated from any and/or all sources, but to exceed 4,344 acre-feet annually.
Acti	nal construction work shall begin on or before
Proc	of of commencement of work shall be filed before.
Wor	k must be prosecuted with reasonable diligence and be completed on or beforeApril 22, 1987
Proc	of of completion of work shall be filed before
App	lication of water to beneficial use shall be made on or before
Prod	of of the application of water to beneficial use shall be filed on or before May 22, 1989
_	in support of proof of beneficial use shall be filed on or before May 22, 1989
-Com Com Proo	mencement of work filed
Certi	ficate No. 13993 Issued JAN 26 1995 A.D. 1986.
